

Part One – About Your Walk

Title of Your Walk:

Walk Summary:

Get creative! Why are you passionate about the topic you're exploring? What information would you share to make someone else as passionate as you are?

Ideas:

Provide us with an overarching summary of the content that you wish to cover, a list of the stops or local landmarks that you'll be visiting, and a taste of some of the information and experiences that you'll be sharing with your walk participants.

What are the theme(s) of your walk?

Please select all that apply

- Advocacy and Politics
- Architecture and Urban Planning
- Arts and Culture
- Environment and Sustainability
- Food and Drinks
- History and Places
- Lived experiences and personal perspectives
- People and Communities
- Transit and Accessibility
- Other: _____

Submit a promotional photo:

Submit a photo or illustration to promote your walk. Please ensure:

- *You have the rights to use the image, and the consent of anyone depicted within it.*
- *The image is high-resolution, and wider than 600 pixels.*

Part Two – Walk Details

The information you provide will be posted online to promote the walk to the public. Please review the details for accuracy before submitting as requests for changes may not be possible to accommodate.

Name of the walk leader(s):

Organization name (if applicable):

Are you organizing this walk as part of an organization? If so, add its name below.

How will walk attendees identify you at the meeting spot?

Please note that your walk needs to be in the City of Toronto.

What language(s) will your walk be held in?

Please select all that apply

English, French, Other

Walk Duration:

Most walks are 60-90 minutes, but they can be any length
